## D.I.B.S.™/MC Portion Control System

### D.I.B.S.™/MC water-soluble packets: Unbeatable simplicity and convenience.

What could be easier! Drop a packet into a bucket or bowl of water, then watch it surge into action, dissolve and disappear—all this in a matter of seconds. What remains is a fully-charged solution, ready to clean in hot or cold, hard or soft water. Because you use one packet per application, it's simple to manage product distribution for use throughout your facility. Plus D.I.B.S.™/MC products come in small plastic tubs that are recyclable, and the packets dispose of themselves!

## JohnsonDiversey at a glance.

*JohnsonDiversey is a company rich in heritage and known as an industry expert. We help our customers establish and maintain safe, healthy, high performing facilities in a wide variety of industries and applications.*

### Floor Care

JohnsonDiversey is the worldwide leader in the floor care industry with such brands as **Johnson Wax Professional®**, **Butcher's®**, and **TASKI®**. Our wide range of complementary products, tools and machines, supported by training services enable you to achieve the desired appearance of floors that will please any and all visitors to your facilities.

Unique polymers build the world's best floor care coatings and ensure consistent high quality results each and every time. Product lines include a broad variety of finishes, buffing waxes, sealers, strippers and maintainers for all types of flooring surfaces, including vinyl, terrazzo, granite, concrete, marble, linoleum and wood. We also provide a full range of carpet cleaners, such as extraction cleaners, shampoos and pre-sprays, treatments such as deodorizers and a full line of carpet spotters.

JohnsonDiversey is the recognized leader in floor care risk management and is one of the foremost authorities on slip and fall accident prevention.

### Foodservice

The heritage of the Diversey company is in cleaning foodservice facilities. We offer a complete range of food safety solutions including our **SafeKitchen™/MC** program, systems for mechanical warewashing, manual warewashing, and a wide variety of foodservice cleaning applications. As an industry leader in food safety solutions, our **Suma®** branded foodservice products are industry leaders throughout the world.

### Hard Surface Cleaners, disinfectant, Skin Care and Odor Control

No one knows more about hard surface cleaning and disinfecting than JohnsonDiversey. With our SC Johnson & Son heritage, we have developed an unparalleled portfolio of leading brands. **Johnson Wax Professional®** brands include **Virex®** disinfectant, **Crew®** restroom cleaners, **Glance®** glass and multi-surface cleaners, **Soft Care®** skin care products and **Good Sense®** air Freshener. **Butcher's®** brands include **Speedball™/MC** power cleaners, **Bathmate®** bathroom cleaners, and **G-Force®** environmentally preferred products.

We are the industry leader in developing new antimicrobial technologies and offer cleaning solutions and programs for a wide variety of industries including health care, retail and general restroom cleaning.

### Dispensing Technology

JohnsonDiversey has a strong heritage in the innovation of dispensing systems. We are continually developing manual, water-driven or electronic dosing systems that deliver application-specific solutions for our customers. JohnsonDiversey strives to deliver diverse dispensing platforms to fit your needs. Systems range from the smaller **J-Fill®**, **Solutions Center®**, and **TASKI® Ultra Easy** system used in smaller applications to the larger **DiverFlow™/MC** laundry, **Eagle™/MC** plant cleaning, and **PBB™/MC** industrial systems. Our continued commitment to leading innovation in dispensing technology includes investing in industry changing technology, such as our new **RTD® (Ready to Dispense)** dispensing platform, and software management tools such as **DiverNet**.

### Laundry

The laundry expertise of JohnsonDiversey is founded in our heritage of the Diversey, DuBois and Fabrilife companies. Our global **Clax®** brand of laundry products and systems can handle any laundry challenge, from on premise laundries to the largest commercial linen and industrial plants. Facility needs vary considerably when it comes to improving their operations. Only JohnsonDiversey has the expertise to handle even the toughest fabric cleaning challenges.

### Consumer Brands

Founded in the heritage of the Drackett Company, with such brands as **Windex®** and **Drano®**, JohnsonDiversey Consumer Brand's product portfolio includes powerful S.C. Johnson brands, such as **Pledge®**, **Raid®**, **Glade®**, **Fantastik®**, **Scrubbing Bubbles®**, and **Ziploc®**, and Unilever consumer brands including **Wisk®**, **All®**, **Snuggle®**, **Dove®** and **Suave®**. We have an unparalleled range of consumer branded professional products for commercial and institutional users.

### Food, Beverage and Industrial Plant Cleaning

From our Wyandotte and **DuBois** heritage, we have developed technologies to handle the cleaning and sanitation needs of any modern manufacturing plant. Whether it is the cleaning of a food or beverage processing plant, cleaning a commercial manufacturing plant, dealing with wastewater needs, providing chemicals used in the paper industry, or fleet vehicle cleaning, we have programs and products to handle these needs.

## At JohnsonDiversey, Clean is Just The Beginning<sup>SM/MC</sup>

JohnsonDiversey Inc. is a leading global provider of cleaning and hygiene products and solutions. We are driven by our mission to be our customers' best partner for providing **safe, healthy, high performing facilities.**

JohnsonDiversey serves customers in the lodging, food service, retail, health care and food and beverage sectors as well as building service contractors. JohnsonDiversey offers extensive applications in floor care, floor safety, food and beverage sanitation and operational efficiency, food safety, laundry, kitchen hygiene and warewashing equipment, as well as general cleaning and sanitation.

For more than one hundred years, our reputation for responsibility and innovation has helped us become an industry leader.

In May 2002, Johnson Wax Professional became JohnsonDiversey with the acquisition of DiverseyLever. Two global leaders in cleaning and hygiene with complementary product and solution platforms combined to continuously serve our customers every day, everywhere.

This catalog details a snapshot of our product line. We also offer:

- product training and certification programs

### **JohnsonDiversey Global Headquarters**

*In 1997, JohnsonDiversey opened a state-of-the-art, environmentally responsible corporate headquarters. This world class facility is a living laboratory, designed to facilitate innovation and customer support.*

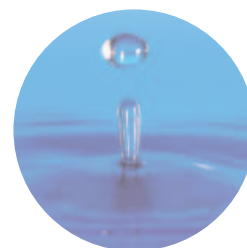

*We earned LEED for Existing Buildings Certification at the Gold Level from the U.S. Green Building Council.*

## **COMMITMENT TO ENVIRONMENTAL, HEALTH, SAFETY AND PRODUCT EXCELLENCE**

We believe that buildings that are safe and healthy are as good for the natural environment as they are for people who live, visit or work in them.

JohnsonDiversey is dedicated to environmental leadership. It directs us in everything we do from product research and development through manufacturing. More importantly, we help our customers become environmental leaders as well.

JohnsonDiversey provides you with the innovative products, programs and solutions that help you maintain safe, healthy, high performing facilities.
