

# Motorized Tilt Trucks

A **Newell Rubbermaid** Company

1022-00 1 cuyd Motorized Tilt Truck

1,000LB Capacity

## Key Features/Benefits:

- **Ergonomics** – Easy to use hand controls are integrated into handle to optimize ergonomics and control.
- **Productivity** – Up to 5 hours (15 miles) of operation on a single charge.
- **Safety** – Battery operated, motorized drive improves maneuverability of heavy, awkward loads. Includes key for secure operation.
- **Convenient Maintenance** – On-board charger powers batteries in 8 hours or less from a standard 120V outlet.
- **Hinged Frame** – Clamshell frame design allows for easy loading/unloading and convenient access to motor and batteries.
